

COVID-19 and the Food Industry, Two-Part Webinar

This is a critical time to ensure the protection of your employees and community. [This two-part webinar](#), from A. Barker-Smith Consulting, reviews health actions that companies can take to protect themselves, customers and employees. This includes things to consider when developing a business continuity plan, reviewing how to help individuals know what to do, and how to respond if they have been exposed, or if they must take care of someone who has been. Additionally, the webinar offers what is known today about COVID-19.

To view these free webinars, [visit this link](#) and add course 133 (2 parts) to your cart. Once you have selected the two courses, add them to the shopping cart, provide your name and email address and click purchase (\$0 total). Once you have verified your email address you can go into your account on the site to view the webinars.
